

CHS Principal

Application Deadline: March 16, 2012

Salary/Benefits:

Commiserate with experience and level of education. The range for this salary will be \$70,000 to \$83,000.

Position Description:

The Crossett School District, located in southeast Arkansas, is a district of 1962 pre-K through 12 grade students. Crossett High School is searching for a high school principal that will oversee grades 9-12 and serve approximately 575 students, 50 certified staff members, and 10 classified staff members. The high school principal is assisted by one assistant principal and a part-time dean of students. The school is also supported with two full-time instructional facilitators as well as a district curriculum team. The job will commence July 1, 2012.

Job Requirements:

The successful applicant will possess:

- a valid Arkansas 7-12 building level license (#302, #313 or #403)
- a Master's degree in administration
- successful teaching and administrative experiences
- the skill set necessary to be a strong instructional leader knowledgeable of best practices in instruction, curricular issues, and data-driven decision making
- the skill set to supervise students, faculty, and staff
- effective interpersonal and communication skills
- technology skills appropriate to the job (email, PPT, Excel, Word, APSCN)
- the ability to be a firm, fair and consistent disciplinarian

Application Process:

Interested applicants should fill-out an application (print out online at www.crossettschools.org) and submit it along with your resume, a cover letter, a copy of your license, and any other supporting documents to the contact below. Documents can be scanned and sent via email to bbryant@csd.k12.ar.us.
